We are writing to advise that we have received the Court's most recent direction, dated July 22, 2016, and a few follow-up questions regarding its contents.

1. Has the Court set a deadline for filing our written memorandum of fact and law;
2. Has the Court determined that we will not be entitled to cross examination of Dr. Lukács on his affidavit;
3. Has the Court determined whether or not oral argument will be allowed on the motion for an injunction;
4. Does the Court intend to decide the motion for an injunction prior to Monday;

We obviously recognize the extremely short timeline which this matter is being dealt with, but in order to properly answer the Appellant's motion we require answers to the above concerns.

We look forward to your prompt response.

Yours truly,

D'ARCY & DEACON LLP
